

# Valuation consulting

## Valuation consulting

Our dedicated commercial and residential valuation teams offer an integrated service advising on all aspects of investment, development and owner occupier situations to banks, financial institutions, trusts, charities and private individuals.

Close liaison with our agency and investment teams on individual markets and yield trends ensures our valuations reflect latest market sentiment, utilising market experience, research and forecasting.

### Key services include

- Expert valuation advice on commercial, residential and mixed use properties
- Close monitoring of letting and investment markets
- Consultancy advice
- Leading valuation software systems / data analysis
- Acclaimed in-house research
- Initial review consultation
- Insolvency / recovery advice
- Development monitoring / construction review and draw down certification

We undertake valuations for a wide range of banks, institutional, property companies, healthcare, asset recovery and not for profit sector clients throughout the UK totalling several billion pounds of commercial and residential properties each year. Our success is based on our commitment to quality, and close team work with the client and other professional advisors.
